Masters, Radiation Oncology and Nuclear Medicine	11/2002
ASU, Faculty of Medicine, COD	
M.B.,B.Ch, Medicine and Surgery	12/1997
ASU, Faculty of Medicine	

Skills

Computing

International Computer Driving Licensed (ICDL).

Language

Excellent reading and writing English (International TOEFL Score: 253).

Publications

"The role of docetaxel, cisplatin, 5-fluorouracil (TCF) induction chemotherapy followed by concurrent chemoradiotherapy in patients with locally advanced head and neck cancers: Single institution experience." ASCO 2014 Abstract #131178,

"Comparison of helical, maximum intensity projection (MIP), and averaged intensity (AI) 4D CT imaging for stereotactic body radiation therapy (SBRT) planning in lung cancer." Radiother Oncol, December 2006, 264 - 8. Using 4D CT data sets of patients with stage I NSCLC who received SBRT, we concluded that In order to incorporate the extent of tumor motion from breathing during SBRT, MIP is superior to either helical or AI images for defining the mobile gross target volume (mGTV)

"Adjunctive radiotherapy in advanced colon cancer.". Principle Investigator: Dr. Myerson, MD, PhD (WUSTL, ROD).

"Assessment of PET estimated tumor volume by four-dimensional computed tomography measurements". The abstract is scheduled to be discussed during the 50th Annual Meeting of the American Association of Physicists in Medicine (AAPM) in Houston, TX from July 27 - 31, 2008 at the George R. Brown Convention Center.

Training

- Washington University in Saint Louis (WUSTL), Radiation Oncology Department (ROD), 10/2005 to 10/2007 -
I've spent 2 years in this facility, clinical observation was main concern, during this period, I attended the following clinical service assignments:

- (1) Thorax: Dr. Jeffrey Bradley.
- (2) Pediatrics, lymphoma, leukemia: Dr. David Mansur.

- (3) Genito-Urinary: Jeff Michalski.
- (4) Gastro-Intestinal & Hyperthermia: Dr. Robert Myerson.
- (5) CNS & Gamma Knife: Dr. Joseph Simpson.
- (6) Breast: Dr. Marie Taylor.
- (7) Head & Neck: Dr. Wade Thorstad.

In each service, I've closely observed all treatment stages, from history taking, clinical examination, treatment decision making, and treatment planning and plan evaluation.

Conferences

The 3rd Clinical Research Training Course, Jeddah, Saudi Arabia, 2/2014
Second Middle East Breast Cancer Master Class, Dubai, United Arab of Emirates, 12/2013
1st Euro-Arab School of Oncology (EASO) Seminar in Oncology, Ain Sokhna, Egypt, 9/2012
4th Breast-Gynecological International Cancer Conference (BGICC), Cairo, Egypt, 1/2012
IFHNOS World Tour: Current Concepts in Head & Neck Surgery and Oncology, Cairo, Egypt, 10/2012
National Conference On Medical Emergencies, Cairo, Egypt, 10/2000

Courses

- Excellence Measures in Education, 12/2014 - Faculty and Leadership Development Project.
- Using the International Scientific Database at eLibrary, Elibrary Unit, 2014 - Ain Shams University, Alsun College
- Reviewing Scientific Research Seminar, 2014 - Ain Shams University, Faculty of Medicine
- Effective Presentation Skills, 2011 - Faculty and Leadership Development Project.
- Using Technology in Teaching, 2011 - Faculty and Leadership Development Project.
- Research Team Management, 2010 - Faculty and Leadership Development Project.
- Scientific Research Ethics, 2010 - Faculty and Leadership Development Project.
- Organizing Scientific Conferences, 2009 - Faculty and Leadership Development Project.
- Communication Skills, 2005 - Faculty and Leadership Development Project.

Teaching Activities

As a University lecturer, I've been involved in teaching specific topics for postgraduate clinical oncologists since

2012, these are as follows:

- Antiangiogenic Agents: In 2012 and 2014.
- Pregnancy and Fertility in Cancer Patients: in 2012 and 2014.
- Small-Cell Lung Cancer ESMO Update: In 2014

Additional Information

Ain Shams University, Faculty of Medicine, Clinical Oncology Department Council Member: In 2013-2014 academic year.

European Society for Medical Oncology (ESMO) member since 2012.

Basic Life Support Certified

KSA - SCFHS valid registration as senior registrar in Clinical Oncology.

KSA - SCFHS pending registration as Clinical Oncology Consultant
